

SC West Neighborhoods TeamReach Rules of the Road.

SC West's TR site is for SC West residents to discuss issues of relevance relating to our community and its surroundings.

With the potential of this little village square eventually numbering 3,000 members, the existing NRs and ANRs have come-up with these guidelines to help keep this resource relevant and valuable. These guidelines are similar to community rules found elsewhere; they are not in response to any one person or post.

Before posting, consider if this is the right venue and if your post is likely to be helpful to others. For instance, if you're trying to give away empty moving boxes, then posting to a site with wider exposure like "SCHH Friendly Neighborhood" is more likely to find someone in need. If you are reporting an issue that you know needs a work ticket, then create the ticket yourself or reach out to your NR for help. And as you post, please consider if this should be broadcast to everyone, or better discussed between a few neighbors via the DM feature.

As SC West grows, and as new Neighborhood Representatives and Alternates come on board, these guidelines may be updated. Posts which run counter to these rules-of-the-road may be removed without notice by site administrators.

- NO POLITICS OF ANY KIND
- BE KIND
- CURB YOUR NEGATIVITY

This does not ban posts that describe negative experiences such as those involving the developer, the HOA, a vendor, or a local business. Such posts are expected to keep tone and language "in check" and the post should strive to be informative and/or constructive.

- AVOID RECENTLY DUPLICATED POSTS
(TR doesn't have a search tool, so we understand if there are repeat questions.)

- NO BUY/SELL/BUSINESS SELF PROMOTION

You can say - for example - "We've got surplus furniture we'd love to give away for free - DM me for details." But please no listing or photos - there are other sites for that.
(Lifestyles-approved promotions or events are OK since we don't have lower mailboxes.)

- RESPECT EVERYONE'S RIGHTS, INCLUDING THEIR RIGHT TO PRIVACY
- NO NON-RELEVANT INFO, MEMES, JOKES
- NO BUSINESS BASHING

Similar the rules around negativity, you can report a negative experience with a business, but use restraint, report the facts, and avoid venting.

- NO FUNDRAISING / DONATION REQUESTS - Individual SC West neighborhood Lifestyle-approved outreach programs can be brought to the wider group's attention. For instance "Our neighborhood is participating in the annual fill the bus campaign to benefit Jasper County students. Please reach out to learn how you can individually contribute should your neighborhood not be participating this year."

These rules pertain to this SC West Neighborhoods umbrella site.

Each neighborhood may adopt their own rules for their own site - should they so desire.
