We are the Sun City partner of the Backpack Buddies program serving Beaufort and Jasper counties. We help support over 700 hungry schoolchildren by supplementing families' food budgets with grocery vouchers and monthly 25-pound food boxes. Shelf-stable items such as cereal, pasta, soup, canned fruit and vegetables are included in these boxes which are packed by our volunteers. The boxes are delivered to participating schools where they are picked up by family members. The annual Change 4 Change campaign throughout Sun City each spring helps fund this effort.
